**National Tournament Director's Report
2019 National PAGA Winter Meeting & Golf Tournament
Hosted by Alice, TX
March 29, 2019**

We adopted StarterShack as our Computation Service Provider approximately fourteen months ago. Since its inception, George has constantly made improvements in the functionality of the application. Most, about 99%, of the errors we encounter are user created. Inputting our data correctly into the application will eliminate these errors.

1. Adding new members to our Chapter roster – Please complete all Text Boxes with the correct information and select the correct Gender and Status button. Please, record the member's date of birth and contact information.
2. If a member wants to play in a tournament and you cannot find that person on any chapter's roster, the player may be "inactive". DO NOT ADD THE PLAYER IN AS A GUEST!! This causes problems. It only creates multiple accounts for the player and can only be corrected by George. He said he is going to start charging chapters \$5 for each duplicate membership he must correct. In my opinion the player should not play unless they have an "Active" status.
3. If a member from a PAGA Chapter wants to move their membership to your PAGA Chapter, DO NOT CREATE A NEW MEMBER ACCOUNT FOR THEM IN YOUR MEMBERSHIP ROSTER!!! Doing so will cause that member to have duplicate membership and start with no handicap as a member of your chapter. The member moving needs to be transferred to your chapter. The transfer will allow all their recorded rounds to follow them to your chapter. Contact the PAGA National Tournament Director to get the transfer done. George stated he would charge the chapter \$5 to correct a duplicate membership.
4. Configuring a new course – Click on the "Create new course". Please read and follow the instructions on the page "New Course". After you save the new course, select that course and make the proper edits; be sure to read the instructions on that page. If you have any question when configuring, please call me! (817-658-5119)

Presidents Report

Good Morning Delegates Ladies and Gentlemen

I'd like to begin by thanking Mr. Onesimo Castillo and the entire Alice Chapter for all their hard work preparing for this year's Winter Meeting and Tournament. It's never an easy task but when you work together things start clicking and results start happening. I'd like to also thank our very own National Treasurer Mr. RG Garcia for his assistance upon the request of the Alice Chapter. RG made several trips to attend meetings in preparation for this event. RG has exemplified the role of a National Officer.

As we begin our 62nd National Anniversary Year, we the Board continue to look towards the future. We have prioritized local growth since the beginning of this administration. As of Tuesday, we have approximately 1800 active members. I want to remind you Growth is the responsibility of every one of us. None are excluded. I hope and pray we return home with a message to our local members the time is now for growth along with strong and healthy chapters.

In the 3rd Meeting / Workshop in Laredo TX, the delegates approved a committee to review Trophies and Rings for the National Tournament. Chairperson Mr. Jim Luna will present a proposal today. Take it home and share it with your members. This proposal is the brainchild of Mr. Fred Salinas from Missouri City Tx. Mr. Luna and his committee are also exploring the idea of adding Optional Wagering and Skins to the National Tournament. Stay tuned as details develop. The Alice Chapter will also be introducing a proposal adding language to the By-Laws stating a March 31st Eligibility Deadline to participate in the National Tournament. This will make it clear to a practice we are accustomed to and used as early as last year in Corpus Christi. There was a lot of confusion from chapters and members. I received emails and phone calls with concerns over the Eligibility Date. The Executive Order was issued solely for the betterment of the organization. I want to thank most of the Board and all the phone calls and emails from members supporting the action taken. A reminder you have until Sunday to add new members or activate current members to the Active Chapter Member Roster for National Tournament eligibility. I urge you to take the Alice Proposal information to your chapter for review. On another note, we are in an election year. Please contact Elections Chairperson Armando Caceres if you have an intent to run for National Office.

We are going to enjoy Alice Tx and all it has to offer followed up by our National Convention and Tournament in Dallas Tx. Mr. Juan Bergara, Mr. David Tovar, and the Dallas Chapter are busy getting all the National Events ready. We are looking forward to an Incredible Convention in Big D.

Sincerely,

Rafael Nañez II

Esteemed Partners,

Please place the following proposal to update/change the language within the NPAGA By-Laws Section 4, B.1. on the 2019 Winter Meeting agenda:

Current Language -

B. Member's Responsibility (Amended September 1, 1990)

1. Participants must have been a member of their local chapter and registered with MINIMAX for at least (4) Months prior to the ANNUAL NATIONAL TOURNAMENT and CONVENTION final calculation deadline. (Amended March 19, 2010)

Proposed Language -

B. Member's Responsibility (Amended March 29, 2019)

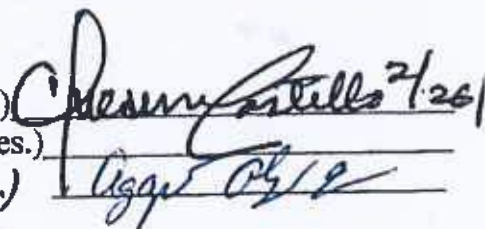

1. Participants must have been a ^{Active} member of their local chapter and registered with the NPAGA Handicap Service by March 31st of the National Tournament year.

This change will allow the local chapters more time to grow and develop the new year's membership roster. It will also continue to protect the National Tournament from admitting Johnny-Come-Lately.

Thanks, Onesimo Castillo (Pres.)

George Ramirez (V. Pres.)

Greg Alvarez (Treas.)

VICE PRESIDENT'S REPORT

Welcome to our 2019 National PAGA Winter Mtg & Tournament.

Congratulations to the Alice PAGA chapter on hosting our National Winter Mtg & Tournament as we kick off another great national PAGA golfing year. I want to sincerely thank all the Alice PAGA local officers, local members, special committees and all local sponsors that contributed countless hours on the planning of this memorable and successful event.

As we launch another great golfing year, I want to remind everyone that 2019 is a National PAGA Officers Election Year and would like to encourage any or all members interested in running for national office to launch their campaigns today. The national elections will take place at our Dallas 2019 National Convention & Tournament. Please make your intentions to run for national president, vice president, secretary, treasurer or national tournament chairman known to our national elections committee chairman Armando Caceres this weekend.

During our Laredo 2018 NPAGA 3rd Delegates Mtg & Workshop, I was appointed National PAGA Hall of Fame Intern Chairman for the remainder of 2018 and for 2019. This appointment will grant us an opportunity to introduce an official proposal to appoint the national vice president as our official Hall of Fame Chairman. This proposal would add to the office duties of our national Vice President instead of appointing a member at large. This proposal would also ensure our organization to have our NPAGA Hall of Fame Chairman present at all future national meetings.

As intern chairman of our Hall of Fame, I want to wholeheartedly thank Mr. Jose Turrieta from the El Paso chapter for chairing this position for the past 21 years. As the current temporary chairman, I can truly appreciate the hard work and commitment that Mr. Turrieta contributed to our organization during his tenure as chairman.

I received an overwhelming five (5) Hall of Fame applications for 2019. Since my induction into the Hall of Fame in 2004 and becoming eligible to vote for the applicant's, we had never received five HOF apps before. The 2019 applicant candidates were: Ben Ybanez from Lubbock, TX, Jesse Pena from North Hays, David Tovar from Dallas, Tx, Roger 'Charro' Rodriguez from Harlingen, TX and Jose Turrieta from El Paso, TX.

At this point we have twenty (20) Living Hall of Fame voting members that select the annual inductees. The Rules and Guidelines of our NPAGA Hall of Fame state that any member wishing to apply for consideration into the Hall must first be a member of our organization for at least 20 years or more and must have a total of at least 72 credential points on their application. The guidelines also state that total amount of inductees must be limited to two (2) per year. The two top vote getters and inductees into our National PAGA Hall of Fame for 2019 are:

1. Jose Turrieta

2. David Tovar

As temporary chairman of our NPAGA Hall of Fame, I received a few suggestions from some of our Hall of Fame voting members stating that our current Application needs modification in order to aim future inductees to be more focused on national involvement. It was also suggested that the point system must be more specific as to what the starting 72 points should be aimed at. Taking these suggestions in stride, I feel that these modification suggestions can be part of our next 3rd Delegates Workshop discussion to address and perhaps resolve these modifications.

In closing, I would like to point out that pictures of all our previous Men's Hall of Fame Inductees are displayed at our National Archives Building in San Antonio. These pictures are displayed on a special wall dedicated to our Men's Hall of Fame inductees. There are also pictures displayed on the same wall of our National PAGA Ladies Hall of Fame inductees. With all due respect, I would like to suggest to our NPAGA Archives chairman to please create a special wall or space to display the pictures of these NPAGA Lady Hall of Fame inductees as they deserve their own Ladies Hall of Fame Wall of Honor.

Enjoy your stay here in Alice and good luck to all tournament participants!

See You in The Fairway,

Toyo Amador
