### Appendix 1

#### Current list of Northern and Southern Chapters

The purpose of this appendix is to maintain a list of Northern and Southern Chapters for the purpose of defining required members rounds to compete in the Annual National Tournament. Due to the difference in playing season it can be difficult for members of Northern Chapters to meet the 10-round minimum to compete in the National Tournament. For that reason, the minimum number of required rounds for a member in a Northern Chapter is 7 rounds of tournament golf sanctioned by their local chapter. Because of their

longer playing season the minimum number of required rounds for a member in a Southern Chapter is 10 rounds of tournament golf sanctioned by their local chapter.
